...the Professional School Sports Management System

Data Location C:\SportsTrak\SampData

CaRob Computing

Version: November 9, 2005 | November 12, 2005

SportsTrak is Australia's dominant carnival management system...

- Used in all Australian states and overseas
- Used by primary and secondary, government and private schools

SportsTrak gives you...

- All results on time
- Stress free carnival scoring
- Efficient time and resource management
- Accurate records
- User friendly operation
- A comprehensive manual

SportsTrak 2100 is a major rebuild of SportsTrak, taking in many of the suggestions of our users, with new ease of use and more features.

SportsTrak features...

- Simplified setup - wizards take you through all carnival setup and running
- Flat menu structures make it easy to navigate
- All reports offer Acrobat Reader, HTML, or text output options
- Archive feature allows whole carnivals to be saved or retrieved
- Optional password protection
- Network compatible

...plus many other functional and cosmetic improvements:

expanded student code, ability to mark a competitor disqualified or DNF or DNS, improved student import capability, easier to add arbitrary points to a house, full web site of all carnival details with one button click, sort headers on tables, and many more enhancements.

SportsTrak 2100 is the result of our listening and responding to Australian sport coordinators since the original SportsTrak in 1992.

more details at www.carobcom.com

SportsTrak is powerful and flexible...

- Work on any number of carnivals at once
- Any number of teams in a carnival
- Up to 26 scoring levels, 14 age levels
- Team or form based
- Age or year level based
- Carnivals over 1, 2, or 3 days
- Enter placing or let SportsTrak sort placings
- Pre-entry of competitors if desired
- Lane Allocation
- Time, distance, or points events
- Score on place, standards, or direct points
- Reports printed to paper, screen, or disk
- Spread the workload over multiple computers working separately or network them
- Recalculate all scores at any time using any scoring system you like
- Maintain personal best performances
- Create hundreds of linked web pages with a single button click and copy to your web site
- Use for inter-school carnivals and import the teams from participating schools
- Archive whole carnivals

CaRob continues its unmatched support for schools...

- Unlimited on-site licence use of SportsTrak
- Unlimited off-site use by your staff
- Contact us with a problem by email, fax or phone and we get back to you as soon as practicable
- Free incremental updates from our web-site
